# MOELLER STONE CARE

## PRODUCT SPECIFICATION

### HMK® R185 - COMPOSITE-QUARTZ INTENSIVE CLEANER

- **Special cleaner for all polished, honed and brushed composite quartz surfaces.**
- **Removes oily and greasy marks, film built up from regular cleaning products, general construction dirt and light cement smears.**

HMK® R185 is a special concentrated cleaner for removing fatty, oily and greasy substances, general construction dirt, cement and grout smears, wax coatings and film built up from regular cleaning products from polished, honed, satin and brushed composite quartz materials. For interior and exterior use. Polished surfaces will not be damaged.

**Instructions:** If under floor heating exists, make sure it is turned off at least two days before application to allow the surface to cool. Apply HMK® R185 diluted with water (1:2 to 1:10) depending on the intensity of the dirt. Use a scrubbing brush, stiff hand brush or suitable pad to work the HMK® R185 into the surface. Leave for around 10 minutes but do not allow to dry, scrub the area again and remove the dirty liquid. Afterwards rinse the area thoroughly with clean water.

For stubborn dirt or stains, HMK® R185 can be used undiluted.

When using a wet vacuum we recommend that you add HMK® Z702 Defoamer to the water to regulate the amount of foam.

**Important:** Do not apply in direct sunlight. Do not apply on plastic, polished or waxed wood and lacquered areas. If these areas are splashed, remove splashes and rinse thoroughly with clean water.

**Coverage:** About 20-60m<sup>2</sup>/litre.

**Warning:** Chemical product. Contains surfactants, release and control agents and scented oil. Keep out of the reach of children. See Material Safety Data Sheet for more detailed information.

**Packaging:** 12 x 1 litre bottles/box.

**Storage:** Store in cool place.

**Testing:** Always test the product in an inconspicuous area to evaluate suitability, coverage and performance. Do not use the product in temperatures below 12° and above 25°C.

**Limitation of liability:** The liability of HMK® Moeller Stone Care for defective products and any claims for damages whatsoever is limited to the purchase price of the products. HMK® Moeller Stone Care shall not be liable for any consequential damages. No other warranty or representation is made or implied.
