MOELLER STONE CARE

PRODUCT SPECIFICATION

HMK® P315 - PORCELAIN TILE CARE

- **Special maintenance product for honed, polished or textured porcelain tiles.**
- **Cleans and maintains the surface and supports the existing impregnation in one easy action.**
 - **For daily use.**

HMK® P315 is a mild concentrated cleaner with highly active ingredients that clean and maintain honed, polished, textured and glazed porcelain tiles. HMK® P315 has been specially developed to enhance the appearance of porcelain wall and floor tiles and contains special ingredients that enrich the color and structure of the surface. If used regularly, a resistance to stains is developed and the tiles will become easier to clean. It's water-soluble ingredients also prevent the buildup of film usually caused by soap residue.

Instructions: For regular cleaning and maintenance add approx 25-50 ml for every 10 liters of clean water and mop the surface as usual wringing the mop regularly. When the water becomes dirty replace it with the same solution of HMK® P315 and clean water. Do not re-mop or rinse areas once cleaned. Use HMK® P315 daily in commercial areas and once or twice a week in residential areas. For larger areas HMK® P315 can be applied and buffed using a floor machine with a white/tan polyester pad at 900-1500 rpm.

Coverage: About 1.500 to 2.000 m² per litre on commercial installations depending on level of dirt.

Warning: Chemical product. Keep out of the reach of children.

Packaging: 12 x 1 litre bottles/box; 2 x 5 litre cans/box; 2 x 10 litre cans/box.

Storage: Store in a cool place.

Testing: Always test the product in an inconspicuous area to evaluate suitability, coverage and performance. Do not use the product in temperatures below 12° and above 25°C.

Limitation of liability: The liability of HMK® Moeller Stone Care for defective products and any claims for damages whatsoever is limited to the purchase price of the products. HMK® Moeller Stone Care shall not be liable for any consequential damages. No other warranty or representation is made or implied.
